Chancellor Fisch and Regents:

The Bay Shore Board of Education has been informed that on September 10th or 17th, 2015, the Board will be conducting a vote raising the wage teacher contribution rates permanent. The Bay Shore Board of Education respectfully request that the Board Regent

It is the Bay Shore Board of Education's firm position that making to implement a

new APPR system will be detrimental to the education of our students. Coupling successful implementation 3102-d with state aid is recipe for disaster. As we have seen in the recent past, in it inevitable that forced, hasty decisions, and concessions will be made, rather than development of a meaningful plan that maintains local
