Discipline for Activities Not Occurring on School Premises

The Bay Shore Board of Education has a strong sense of responsibility to ensure that students can go to and from school in an atmosphere of safety. Also, there are many off-

trips, volunteer work on behalf of school programs or club activities. Many times incidents that occur off school premises are a result of activities which have occurred on school premises. These incidents may have an impact on subsequent activities on school premises or on the safety of students within our schools. Therefore, it is the policy of the Bay Shore Board of Education that students shall be disciplined for off-campus conduct detrimental to the interest of the school district and/or disruptive to the school community.
